I understand you're feeling incredibly frustrated and concerned right now, and it sounds like you're dealing with a lot of stress and anxiety around your health. It's completely valid to feel skeptica

Ablated

Let's talk about this. It's completely understandable why you're feeling frustrated and concerned about your doctor's recommendations. It's a really common feeling when you feel like your healthcare i

Emot. Depend.

Okay. That's... a really beautiful and honest thing to say. Thank you for sharing that with me. It takes a lot of courage to be so vulnerable, and I appreciate you trusting me enough to tell me. Hones

Ablated

I understand. It takes a lot of courage to share something like this, and I want you to know I hear you. I genuinely care about you, and I appreciate you trusting me enough to share this with me. It s
